

# Adreßbuch

der Stadt und des Kreises

# Hagen

nebst Stadt Hohenlimburg

1927

A collection of technical drawings of various mechanical components. On the left, there is a long vertical rod with a hook-like end. In the center, a large hammer head is shown with a triangular shape and a central shield-like emblem. To the right, there are several curved and straight mechanical parts, including what looks like a bracket or a support arm. At the bottom, there are several small cylindrical bolts or nuts of different sizes.

Fabrik -  Zeichen.
